Important Information

In this first part of the booklet we explain important information about this Policy including how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

Group policies: About your right to access cover

This is a group policy which the insured has entered into with us for the period of insurance. You may be eligible to claim under it as a third party beneficiary, provided you met the eligibility criteria specified in the Policy, or under a particular cover, at the time loss or damage occurred.

You can't cancel or vary the Policy – only the contracting insured and we can do this. If the policy is cancelled or varied by us, we don't need to obtain your consent.

We also don't provide you with any notices in relation to this Policy. We only send notices to the insured as it's the only entity we have contractual obligations to.

You're not obliged to accept any of the benefits of this Policy but if you make a claim, you'll be bound by its terms, conditions, limitations and exclusions.

Neither we nor the insured hold the cover(s) or the benefits provided under the Policy on trust or for your benefit or on your behalf. The insured also doesn't:

- Act on behalf of us or you in relation to the Policy
- Provide, and is not authorised to provide, any financial product advice, recommendations or opinions about the Policy or any cover; and
- Receive any remuneration or other benefits from us.

If you're seeking to access the benefit of the Policy, you should consider obtaining advice as to whether it is appropriate for your needs from a person who is licensed to give such advice.

Nothing prevents you from entering into other arrangements regarding insurance.

To confirm if you may have access to the Policy, and its currency, please refer to the 'For more information or to make a claim' section at the front of this booklet.

We will not pay for any claim under any section of the Policy if:

- you are over eighty five (85) years of age or
- you are under twelve (12) years of age at the time of injury.

General conditions

There are conditions set out in this General conditions section, in the Claims section and under each particular cover and section. If any of these conditions aren't met, we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- Refuse to pay your claim or reduce what we pay for your claim
- Cancel your Policy.

Assistance and co-operation

At all times when you deal with us you must:

- Provide us with all reasonable assistance we may need
- Be truthful and frank
- Not behave in a way that's abusive, dangerous, hostile, improper or threatening
- Co-operate fully with us, even after we've paid a claim.

Care and maintenance

You must take reasonable care to prevent damage, injury or loss. We won't pay for damage, injury, loss or your liability to which your failure to take reasonable care is a contributing factor. At all times, you must:

- Prevent damage to property insured, as well as to others and their property
- Minimise the cost of any claim under your Policy
- Comply with all laws.

Preventing our right of recovery

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.

Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim.

1. If anything happens that is likely to lead to a claim you must:
 - follow medical advice from a qualified medical practitioner as soon as possible after sustaining injury
 - give us notice in writing, by telephone or in person describing the occurrence
 - fully complete our claim form and return it to us within thirty (30) days after a payable condition occurs
 - undergo any medical examination by a doctor appointed by us if we require it and at your expense provide us with any information about the claim we ask for including:
 - doctor's reports
 - letters and notices you receive from anyone else about your claim.
2. You must give us written notice as soon as possible of every claim, writ, summons or proceedings, including any prosecution or inquest, and all information in regard to matters which may lead to cover under this Policy.
3. As soon as an event that can justify a claim occurs, you must make every endeavour to minimise the loss or damage.
4. We have the sole right to make admissions. We may refuse to protect you if you admit fault, makes any offer of payment or defends a claim in court without our consent.
5. We will pay benefits to you unless you instruct us to do otherwise.

We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one section of the Policy.

Aggregate limit

This Policy is a group policy where cover is available to other persons or entities that satisfy the definition of an insured person. The maximum amount we will pay for any one event involving more than one insured person (including you) under this Policy is the aggregate limit. The aggregate limit for this Policy is set out in the Policy Schedule.

If the aggregate limit is not enough to pay all claims in full, then we will reduce yours and each other insured person's benefit proportionately.

Excluded period of claim

This Policy is subject to an excluded period of claim. The excluded period of claim set out in the Policy Schedule is the number of days for which we won't pay any benefits under this Policy after you first receive medical treatment for the injury or illness you're claiming for.

Contribution

If at the time of any loss, damage or liability there's any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Other insurance

You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

Providing proof

You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:

- documents which substantiate your earnings;
- any medical certificates that relate to your claim;
- receipts or invoices for items you seek to be reimbursed for.

Recovery action and uninsured loss

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

Subrogation

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

Taxation implications

If you're a business you must tell us if you're registered, or are required to be registered, for GST. When you do this, we need you to give us:

- Your ABN
- The percentage of any input tax credit you will claim, or will be entitled to claim, on your premium.

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

Other terms

These other terms apply to how your Policy operates.

Jurisdiction

This Policy will be governed and construed in accordance with the laws of Australia. You unconditionally agree to submit to the exclusive jurisdiction of the courts of Australia.
